## Gelato & Sorbet:

Gelato is an Italian or European style frozen dessert made the way ice cream was intended, low in butterfat, dense, creamier texture, and intense flavors. Trained by Italian Gelato Master, Luciano Ferrari, our employees make the gelato in-house with fresh ingredients. Lactose intolerant? Try our sorbet; made with pure fruit juices and purees. No dairy added! Or try our non-dairy, vegan friendly gelato made with non-dairy milks!
